Activities Overview

Rock Climbing

Rock on! Reach for the top with a day of rock climbing on the ancient volcanic remnants of South Canterbury. This day is the perfect extension of skills learned on the high ropes course, such as belaying. If you haven't signed up for our high ropes day or haven't belayed before though – not to worry. We'll teach you everything you need to know to climb safely. With a variety of climbs to choose from, we'll have something to challenge all ages and ability levels.
